Hydrogen Themed Students Poster Competition (AHD 2024)

Proponent: The Hydrogen Society of Australia, WA Chapter.

AHD2024 Date: 8th October 2024

The Hydrogen Society of Australia ([HSA](#)) and [H2E Group](#) have brought and celebrated this event in Western Australia on the 8th of October 2019 as the first [National Hydrogen Day in Australia](#), with the support of the [FCHEA](#). The following yearly events brought in enormous support from the WA Government, industries, universities, and the public. The HAS and H2E Group with the support of Murdoch University will celebrate the sixth Australia Hydrogen Day on the 8th of October 2024. This event would highlight the significance of hydrogen in our energy mix, role in Australia transition to net zero emissions, promote public awareness, and support the growing hydrogen industry in Australia.

Please join us celebrating the Australia Hydrogen Day by register to attend in-person or virtual.

The HSA has organised a hydrogen-themed Students' poster competition in partnership with Murdoch University, Perth, WA, during the 6th yearly celebration of the (Inter)National Hydrogen Day on the 8th of October 2024.

You are invited to compete in the event where high-profile politicians, academe, industry, and families, including children between 10 and 14 years from Australia, attend in person or virtually. University students (undergraduate and postgraduate) were tasked with producing creative artwork to express their visions and views of hydrogen. Three posters will be selected by the judging panel to be rewarded with the first prize of 300 AUD, second prize of 200 AUD and third of 100 AUD. All participating students will receive a certificate of participation and full-year HSA student membership.
